ENTREPRENEURSHIP
TRAINING |

Igniting the Entrepreneurial Spark in Tomorrow's Leaders

Prepare middle school students (6-8) for the future with entrepreneurship courses that cover idea generation, launching small business projects, and developing practical skills to build confidence and creativity for their educational journey and beyond.

Core Services

Our entrepreneurship workshops and programs provide students with skills in business planning, marketing, financial literacy, and foster entrepreneurial mindsets for lifelong benefit.

Course Highlights (Grades 6-8)

- **Fostering Creativity and Innovation:** Encouraging students to think outside the box, come up with unique business ideas, and solve problems in new ways.
- **Establishing Business Foundations:** Guiding students through choosing a business name, deciding what their business will offer, and outlining a basic business strategy.
- **Business Planning:** Helping students transition from idea to a simple business plan that outlines steps for success.
- **Introduction to Marketing:** Teaching students the basics of branding and how to promote their business through social media, posters, and word-of-mouth.
- **Financial Management & Budgeting:** Introducing students to basic budgeting for their business ideas, managing money, and understanding simple funding concepts.
- **Trial Grand Opening:** Conducting a simulated business launch where students can showcase their business ideas to peers, experiencing what it's like to open a business.
